

Dear SafeSpot Friend,

I hope this note finds you healthy and in good spirits. As we dive into the holiday season, I must share that for me, this is truly the most wonderful time of the year. For the weeks between Thanksgiving and New Year's, we collectively and individually prioritize the wellbeing of others - family, friends, and strangers alike. And in the process, we often become the best versions of ourselves. It's truly magical what we can accomplish when we celebrate shared values like generosity, love, and compassion. I am immensely grateful that these are values the SafeSpot community embodies all year long!

As you and your loved ones move through the season, we hope you will remember SafeSpot and the children and families we serve. **Start by joining us on November 29th for Giving Tuesday**, the national day that highlights the power and impact of philanthropy. **Thanks to a very generous donor, all donations made to SafeSpot on Giving Tuesday will be matched \$1:\$1, up to \$10,000!** There is truly no better time to financially support SafeSpot, as your gift will have twice the impact. If you are looking for a more direct opportunity to support children impacted by abuse, **I hope you will consider becoming a Winter Wishes sponsor** and adopting one or more of the families participating in our trauma-focused therapy program. You can also purchase and donate an item from our [Amazon Wish List](#), or simply select SafeSpot as your charity of choice when you shop the Black Friday and Cyber Monday sales through Amazon Smile. No matter how you support SafeSpot during this time of giving, we thank you from the bottom of our hearts.

Wishing you and yours a happy, healthy holiday season!
With Appreciation,

H. L. O'Malley

Winter Wishes: 6 Families Still Need Sponsors!

SafeSpot's Winter Wishes Program matches generous community donors with one or more of the families being served in our mental health therapy program. Our team works with caregivers to develop wish lists for each member of the family, and we make shopping and delivering those items to the Center as easy as the click of a button through Amazon.

If you are looking for a meaningful way to give back this holiday season, please consider sponsoring one or more of our families. Better yet, organize your office, church, book club, or circle of friends to join you - they will appreciate the opportunity. **And our families will be more grateful that you will ever know!**

To sign up or learn more, please contact Heather O'Malley at homalley@safespotfairfax.org or 703-385-5437 by **Friday, December 2nd**.

SafeSpot was honored to receive the 2022 Mental Health Grant from the Community Foundation for Northern Virginia in support of our trauma-focused therapy program.
